

An Opportunity to Learn About How to Flip Your Classroom

Date: Friday 12th October 2018

Location: School Hall, Danemill Primary School, Enderby, Leicestershire

Aim: To enable primary and secondary school teachers to explore the potential for using flipped classrooms within their classrooms

Flipping First is a simple, yet powerful tool that can enrich and engage school children of all ages. In this workshop, teachers will learn about and explore how they can use this teaching method to enhance the learning and performance of children.
